### ABOUT US

GG Enterprises was started in the year 2008 with an aim to provide effective and innovative waterproofing solutions.

We provide innovative and trusted building waterproofing solutions with reliable products from Insuwrap, Firestone Building Products, Saveto and Colmef.

The product range includes waterproofing solutions like PVC Membranes, TPO and EPDM Membranes, Construction Chemicals, liquid waterproofing and Building and Finishing products.

We are the sole distributor in India for Insuwrap, Saveto and Colmef and distributor in South India for Firestone Building Products.

Since the last 14 years we have a promising and proven record in this field.

Constantly identifying and developing different possible applications of our products along with providing all possible technical support and solutions are one of our biggest strengths.

*'PROVIDING LEAKPROOF SOLUTIONS SINCE 2008'*
